CRITICAL CONTACTS

Poweshiek County Dispatch 641-623-5679	Iowa DOT Statewide TMC 515-237-3300	Iowa State Patrol Comm. Center 800-525-5555
--------------------------------------------------	-----------------------------------------------	-------------------------------------------------------

RESPONSIBILITIES

Poweshiek County Dispatch	641-623-5679
----------------------------------	---------------------

- Coordinate with the incident commander as to whether a diversion route is needed and which one should be implemented.
- Notify Poweshiek DOT statewide of route implemented, incident specific or maintenance needs, and who the incident commander is.
 - Dispatch County Sheriff, local law enforcement, and fire departments as needed.
 - Inform local municipalities and other jurisdictions that a diversion route is being implemented.
 - Deploy law enforcement to direct traffic at critical locations as needed.

- Emergency Responders:
- Secure scene.
 - Provide incident information, diversion route recommendations, and towing needs to E911.
 - Minimize impact to traffic.
 - Provide manual traffic control as needed, or as directed by E911 at critical locations.

Iowa DOT Statewide TMC	515-237-3300
-------------------------------	---------------------

- Deploy informational DMS and 511 messages to alert motorists of construction, delays, incidents, closures, etc. and/or directional DMS messaging to direct traffic to the implemented diversion route.
- Monitor incidents and critical locations along the implemented diversion route.
 - Coordinate with Poweshiek DOT maintenance facilities regarding traffic control needs.
 - Deploy PDMS and Portable CCTV devices as needed for longer duration incidents.
 - Coordinate with local municipalities regarding the modification of signals, signal timing, or stop signs.
 - Coordinate with railroad authority regarding key crossings along the implemented diversion route.

Iowa State Patrol Comm. Center	800-525-5555
---------------------------------------	---------------------

- Dispatch State Patrol.
- On-Scene Incident Commander:
- Secure scene.
 - Notify appropriate communications center of incident location, anticipated duration, affected lanes, and identify the incident commander.
 - Coordinate with the communications center regarding diversion route needs.
 - Minimize impact to traffic through coordination of on-scene traffic control.
 - Ensure overweight and oversize vehicles are parked.
 - When the incident is safely cleared, notify the appropriate communications center that the diversion route is no longer needed.
