RESPONSIBILITIES

Poweshiek County Dispatch	641-623-5679
Coordinate with the incident commander as to whether a diversion route is needed and which one should be i	mplemented.
• Notify Poweshiek/Iowa DOT statewide of route implemented, incident specific or maintenance needs,	•
incident commander is.	
• Dispatch County Sheriff, local law enforcement, and fire departments as needed.	
• Inform local municipalities and other jurisdictions that a diversion route is being implemented.	
• Deploy law enforcement to direct traffic at critical locations as needed.	
Emergency Responders:	
Secure scene.	
• Provide incident information, diversion route recommendations, and towing needs to E911.	
Minimize impact to traffic.	
 Provide manual traffic control as needed, or as directed by E911 at critical locations. 	
Iowa DOT Statewide TMC	515-237-330
Deploy informational DMS and 511 messages to alert motorists of construction, delays, incidents, closures, etc	. and/or
directional DMS messaging to direct traffic to the implemented diversion route.	
 Monitor incidents and critical locations along the implemented diversion route. 	
 Coordinate with Poweshiek/Iowa DOT maintenance facilities regarding traffic control needs. 	
 Deploy PDMS and Portable CCTV devices as needed for longer duration incidents. 	
• Coordinate with local municipalities regarding the modification of signals, signal timing, or stop signs.	
Coordinate with railroad authority regarding key crossings along the implemented diversion route.	
Iowa State Patrol Comm. Center	800-525-555
Dispatch State Patrol.	

On-Scene Incident Commander:

- Secure scene.
- Notify appropriate communications center of incident location, anticipated duration, affected lanes, and identify the incident commander.
- Coordinate with the communications center regarding diversion route needs.
- Minimize impact to traffic through coordination of on-scene traffic control.
- Ensure overweight and overweight vehicles are parked.
- When the incident is safely cleared, notify the appropriate communications center that the diversion route is no longer needed.
