### CRITICAL CONTACTS

Iowa Department of Public Safety Communications Center 319-396-4414	Iowa DOT Traffic Management Center 515-237-3300	Johnson County Joint Emergency Communications Center (JECC) 319-356-6800	Muscatine County Joint Communications Center (MUSCOM) 563-263-9922	Cedar County Emergency Management 563-886-3355
---------------------------------------------------------------------------------	-------------------------------------------------------	--------------------------------------------------------------------------------------	--------------------------------------------------------------------------------	---------------------------------------------------------

### RESPONSIBILITIES

<b>Iowa Department of Public Safety Communications Center</b>	<b>319-396-4414</b>
---------------------------------------------------------------	---------------------

Dispatch State Patrol.

#### On-Scene Incident Commander:

- Secure scene.
- Notify appropriate communications center of incident location, anticipated duration, affected lanes, and identify the incident commander.
- Coordinate with the communications center regarding diversion route needs.
- Minimize impact to traffic through coordination of on-scene traffic control.
- Ensure overweight and oversize vehicles are parked.
- When the incident is safely cleared, notify the appropriate communications center that the diversion route is no longer needed.

<b>Iowa DOT Traffic Management Center</b>	<b>515-237-3300</b>
-------------------------------------------	---------------------

Deploy informational DMS and 511 messages to alert motorists of construction, delays, incidents, closures, etc. and/or directional DMS messaging to direct traffic to the implemented diversion route.

- Monitor incidents and critical locations along the implemented diversion route.
- Coordinate with Iowa DOT maintenance facilities regarding traffic control needs.
- Deploy PDMS and Portable CCTV devices as needed for longer duration incidents.
- Coordinate with local municipalities regarding the modification of signals, signal timing, or stop signs.
- Coordinate with railroad authority regarding key crossings along the implemented diversion route.

<b>Johnson County Joint Emergency Communications Center (JECC)</b>	<b>319-356-6800</b>
--------------------------------------------------------------------	---------------------

Coordinate with the incident commander as to whether a diversion route is needed and which one should be implemented.

- Notify Iowa DOT statewide TMC of route implemented, incident specific or maintenance needs, and who the incident commander is.
- Dispatch County Sheriff, local law enforcement, and fire departments as needed.
- Inform local municipalities and other jurisdictions that a diversion route is being implemented.
- Deploy law enforcement to direct traffic at critical locations as needed.

#### Emergency Responders:

- Secure scene.
- Provide incident information, diversion route recommendations, and towing needs to E911.
- Minimize impact to traffic.
- Provide manual traffic control as needed, or as directed by E911 at critical locations
