### **CRITICAL CONTACTS**

Warren County Emergency **Communications Center** 515-961-1122

**Iowa DOT Statewide TMC** 515-237-3300

Iowa State Patrol Comm. Center 515-725-6090

### RESPONSIBILITIES

#### Warren County Emergency Communications Center

Coordinate with the incident commander as to whether a diversion route is needed and which one should be implemented.

- Notify Iowa DOT statewide TMC of route implemented, incident specific or maintenance needs, and who the incident commander is.
- Dispatch County Sheriff, local law enforcement, and fire departments as needed. ٠
- Inform local municipalities and other jurisdictions that a diversion route is being implemented. •
- Deploy law enforcement to direct traffic at critical locations as needed. ٠
- Monitor critical locations. •
- Provide manual traffic control as needed, or as directed by E911 at critical locations. •
- Notify lowa DOT statewide TMC of any issues along the implemented diversion route. •
- Coordinate with Iowa DOT statewide TMC regarding any maintenance or traffic control needs. •

#### **Emergency Responders:**

- Secure scene. •
- Provide incident information, diversion route recommendations, and towing needs to E911. •
- Minimize impact to traffic.
- Ensure overweight and oversize vehicles are parked.
- Provide manual traffic control as needed, or as directed by E911 at critical locations. •

#### Iowa DOT Statewide TMC

Deploy informational DMS and 511 messages to alert motorists of construction, delays, incidents, closures, etc. and/or directional DMS messaging to direct traffic to the implemented diversion route.

- Monitor incidents and critical locations along the implemented diversion route. ٠
- Coordinate with Iowa DOT maintenance facilities regarding traffic control needs. •
- Deploy PDMS and Portable CCTV devices as needed for longer duration incidents. ٠
- Coordinate with local municipalities regarding the modification of signals, signal timing, or stop signs.
- Coordinate with railroad authority regarding key crossings along the implemented diversion route. •

#### Iowa State Patrol Comm. Center

#### Dispatch State Patrol.

#### **On-Scene Incident Commander:**

- Secure scene.
- Notify appropriate communications center of incident location, anticipated duration, affected lanes, and identify the incident commander.
- Coordinate with the communications center regarding diversion route needs. •
- Minimize impact to traffic through coordination of on-scene traffic control. •
- Ensure overweight and oversize vehicles are parked. ٠
- When the incident is safely cleared, notify the appropriate communications center that the diversion route is no • longer needed.
