Warren County Emergency Communications Center 515-961-1122 Coordinate with the incident commander as to whether a diversion route is needed and which one should be implemented. Notify Iowa DOT statewide TMC of route implemented, incident specific or maintenance needs, and who the incident commander is. Dispatch County Sheriff, local law enforcement, and fire departments as needed. Inform emergency responders, local municipalities and other jurisdictions that a diversion route is being implemented. Deploy law enforcement to direct traffic at critical locations as needed. Monitor critical locations. Provide manual traffic control as needed, or as directed by E911 at critical locations. Notify Iowa DOT statewide TMC of any issues along the implemented diversion route. Coordinate with Iowa DOT statewide TMC regarding any maintenance or traffic control needs. Emergency Responders: Secure scene. Provide incident information, diversion route recommendations, and towing needs to E911. Minimize impact to traffic. Ensure overweight and oversize vehicles are parked.							
Provide	manual traffic c	control as need	ded, or as directed	by E911	at critical locations.
